## AGENCY EXPERIENCE

### Punch Digital Strategies

Senior Designer | May 2021–Present

Collaborated with creative and content strategy teams to produce effective designs across all types of media, including digital, print, and branding. Delivered high-quality work quickly and efficiently to ensure client retention and success.

### Scoop News Group

Graphic Designer | May 2019–May 2021

Worked with in-house teams to create event branding, build websites, and design publications for clients in technology and the public sector.

### Winking Fish

Senior Designer | July 2017–May 2019

Worked with clients and content strategists to create compelling visual graphics, including brand identity, websites, and social media graphics.

### Fuszion

Graphic Designer | June 2015–July 2017

Designed a variety of materials for corporations and non-profit organizations including World Wildlife Fund, The Smithsonian Institution, and National Endowment for the Arts.

### The Beytin Agency

Graphic Designer | September 2013–June 2015

Designed ads, websites, and branding materials for Democratic candidates and progressive organizations. Served as in-house designer for the agency—providing marketing materials and a website redesign.
